But, I read
that the
Continent's
humans can't
use magic...

So, I've been
wondering
how they
get along...

Back in
Antikythira,
everyone
lived by using
magic.

I was somehow
able to manage the
elementary level
magic used in
daily life.

It's the
power of
the "Five
Elements".

The
Five...
Elements
...

Hmm...
Well, it's
fundamen-
tally the
same as
your
people...

However,
magical races,
or Hozers,
manipulate
these using
their own
abilities.

But,
human
beings
can't do
that.

So,
what
do they
do?

Yeah,
we use the powers
that already exist in
the atmosphere.
*Fire, earth, wind,
water, and the sky.*

Well... Simply put, we
both have the same
source of magic.

LINER NOTES

2巻です。如何でしたでしょうか。
スケジュールがアレで、本文修正にあまり時間を取けなかったのが心残りです。
修正しないで済む絵を最初から描けという話です。技量不足ですみません。
今日、母の太さやトーンの濃さを覚えたり、かなり実験しています。
メタルに例えるとエクスペリメンタルメタルです。
少しでも1巻より読みやすくなっていればいいのですが
2巻はちょっとシリアスめな話が多かったので、3巻ではアホな話をもっと描きたいですね。
それではまた次巻もよろしくお願いたします。

Keep on metal! 成田亨虫

In the beginning, I lacked confidence and I was filled with anxiety. So, I'd draw, fearing I might get discontinued at any moment. But, after the books were released, I noticed a ton of people were giving me their support, so I figured I'd do my best with a little more positivity.

Discontinuations are certainly scary, but I'll keep studying art and story writing in order for that to never happen. Thus, please enjoy it's My Life from here on out as well.

Q&A CORNER

■ Do you like Puyo Puyo or Madou Monogatari?

I do. I've joined the Compile Club as well, I have all of the later Disc Stations, and I'm even hardcore enough to preorder the "Madou Monogatari Ultimate Collection". I've speedrunned the first Madou on the Mega Drive quite a lot. I've even gotten a Puyo from a tournament as a prize. Although, you probably thought the "Barometz" was related, but it's actually from a real folklore story, so the source of it isn't from Madou.

■ Astra's friend looks like the guy who says "Keep apologizing to me in the netherworld!!" in Live a Live.

I only noticed after you mentioned it. I'm sure I put some of his lines in too, lol.

■ メタラーになったきっかけは？

中学の頃、FLASH全盛期で、SEX MACHINEGUNSの"みかんのうた"のFLASHを見てマシンガンズにハマリ、そこからメンバーが好きと言うHELLOWEENなどのジャーマン系に傾倒していきました。

高校時代、メタル好きの教師と出会い、IRON MAIDEN、MEGADETH、JUDAS PRIESTなど王道のCDを貸してもらい、NWOBHMとかも聴くようになりました。

そんな感じです。

この漫画からメタルに興味を持てただけなのはとても嬉しいです。

自分がお勧めすると、どうしても北歐かジャーマンに偏りがちなんですが、是非いろんな曲を聴いてみてください。

CURRENT STATUS

- I'M CURRENTLY ADDICTED TO A MOBA
CALLED "TERRA BATTLE".
LET'S PLAY TOGETHER!

IT'S SUPER STRATEGIC AND FUN!

BATH TIME ♡
(COME ON IN, EVERYONE! (SERIOUSLY))

I ONLY DREW THIS BECAUSE MY AGENT TOLD ME TO, SO THEM
BEING CAUGHT IN A (MILD PORN SITUATION) IS MY AGENT'S FAULT.

Q&A CORNER

■ Within temptationのAngelが世界観に合っていると思う

女性Voのメタルは普段聴きませんが、かつこいいですねこの曲。

■ What's your excuse for liking lolis and masks?

My mask fascination is definitely influenced by the masked doom-pop band called "Ghost B.C.". That said, Astra's design is a complete rip- err... a homage to that. As for the lolis, I'm thinking it's probably Arle... since I played Madou 1 to death. And when I draw mobage art, I get lots of requests for loli characters, so one of the reasons is probably how I collect all kinds of loli source material in order to draw them cuter.

I'M TAKING QUESTIONS AND REQUESTS, RIGHT NOW!

THERE'S FIVE
GITS LIKE THIS
AND ONE
VOCALIST

(CURRENT STATUS)

THE MOBAGE CALLED "MAIDEN CRAFT" WILL SOON BE MARKETED, FILLED WITH EIGHT OF MY CHARACTER DESIGNS AND A TON OF MY MONSTER DESIGNS!

THOSE INTERESTED SHOULD PLEASE TRY AND GOOGLE FOR IT.

THOUGH IT HAS "MAIDEN" IN THE NAME, IT HAS NOTHING TO DO WITH THE BAND (CALLED "IRON MAIDEN")! (THEY HAVE NOTHING TO DO WITH THE NAMING.)

I'M FAIRLY PLEASED WITH THE MONSTERS, SO I'D LIKE YOU TO SEE THEM ON, AND THE CHARACTERS TOO!
